Helena
OF THE ROCKIES
MONTANA

Between Yellowstone and Glacier National Parks, discover the elegance of the Old West. Helena's streets were literally paved with gold, as miners extracted what today would be $3.6 billion in gold from the city's main street. This great wealth produced the opulent Victorian homes of the mansion district, 55 historic downtown buildings and more. Today, nature's golden bounty of abundant wildlife, scenic mountains and sun-filled recreation also awaits you.

Helena...the elegant west...still in her golden age!

They weren't impressed by my furs.

They weren't impressed by my Range Rover.

They weren't impressed when I ate beluga in the lodge.

Perhaps I should actually learn to ski.

If you're out to impress folks at The Big Mountain, there's only one way to do it: strap on the boards and point 'em due south.

That's because The Big Mountain is first and foremost a skier's resort. Little wonder when you consider 3,000 acres of uncrowded slopes, untouched powder and unbelievable scenery.

Of course, we've also got plenty of good old-fashioned western hospitality. Complete with friendly people, great restaurants, and on-hill accommodations from simple to luxurious.

This year, treat yourself to a *real* ski vacation. Call The Big Mountain for a free brochure. It's the *uncivilized* thing to do.

Fishing

Nonresidents have two options for purchasing a fishing license. A license for March 1 through the following February is $45 in 1995. A consecutive two-day license is $10. A $5 conservation license is a prerequisite for each and must also be purchased in order to fish.

Residents must purchase a conservation license ($4) and a fishing license ($13). Residents 12 to 14 years of age or 62 or older need only a conservation license. Residents with disabilities who have been certified by Montana Fish, Wildlife & Parks, need only a conservation license. Residents and non-residents younger than

12 are not required to have a license. Regulations are outlined in the Montana Fishing Regulations available at any Fish, Wildlife & Parks office or licensing agent.

Yellowstone National Park requires anglers to obtain a $5 license; fishing regulations are available at ranger stations and visitor centers throughout the park. Glacier National Park does not require a license but those fishing must follow regulations available from ranger stations and visitor centers throughout the park.

Anglers should look for brown fishing access signs along the roads and highways. These signs designate public access to rivers, streams and lakes for fishing and picnicking.

Visitors wanting to fish on any of Montana's Indian reservations should contact tribal offices for regulations (see Indian Reservations).

Golden Age passes for American citizens 62 and older are available for $10/person; Golden Access passes for disabled persons are free. Passes are available at entrances to the parks.

Yellowstone National Park
The world's first national park is renowned for its spouting geysers, bubbling mud caldrons, canyons, rivers and lakes, waterfalls and abundant wildlife. Yellowstone encompasses 2.2 million acres of scenic beauty. Three of the entrances to Yellowstone are in Montana—West Yellowstone, Gardiner and Cooke City. A seven-day combination pass per private vehicle toYellowstone and to Grand Teton National Park in Wyoming is currently $10.

Accommodations in Yellowstone are available May-Oct. and Dec.-March. Park closes Nov. 1 to vehicle traffic; park re-opens mid-Dec through mid-March or April for snowmobile traffic. Glacier National Park
Lying in a rugged section of the northern Rockies, Glacier National Park joins Waterton National Park in Alberta, Canada, to create Waterton-Glacier International Peace Park. Glacier has more than 700 miles of foot and horse trails. Going-to-the-Sun Road is a spectacular 52-mile highway through Glacier, crossing the Continental Divide at Logan Pass. Weather permitting, the upper Going-to-the-Sun Road remains open until the Monday following the third Sunday in Oct. Weather determines spring opening of road. Accommodations in historic hotels and lodges available mid-May thru mid-Sept. A pass valid for one year is $15. A pass for one week (seven days) is currently $5.

Going-to-the-Sun Road restrictions: Vehicles longer than 21 ft. (including bumpers) and wider than 8 ft. (including mirrors) are prohibited on this road between Avalanche Campground and the Sun Point parking area. Trailers and over-length vehicles may be left at campsites or parking areas. Rental cars are available at surrounding communities; a shuttle service is available on the Going-to-the-Sun Road between West Glacier and St. Mary, with stops at major trailheads and developed areas. For details, call Rocky Mts. Transportation (406-862-2539). Historic jammer bus tours are also available from Glacier Park, Inc. 406-226-5551.

OFF-HIGHWAY VEHICLE USE

U.S. Forest Service and BLM lands provide trail riding opportunities for off-highway vehicles (OHV), such as motorcyles and ATV's. For trail information, contact the Forest Service office or BLM office closest to the area where you plan to use your OHV. (See regional sections in this book.)

All OHVs used for recreation on public lands must be registered and display a current OHV decal. A nonresident using an OHV that is not registered in a nonresident's home state must purchase a nonresident temporary-use permit. WATCHABLE WILDLIFE

A pair of binoculars will come in handy as you discover the pleasure of one of Montana's most popular pastimes—wildlife watching. Elk, deer and antelope roam freely across open plains and prairies. Hundreds of different bird species, including bald eagles, hawks, and great blue herons are frequently spotted. Montana is home to bison, mountain goats, bighorn sheep and the last remaining grizzly bear population in the lower 48 states. Look for the brown and white signs depicting binoculars as you travel. These point the way to designated wildlife viewing sites. A tip from the experts: the best time to see wildlife is right at dawn, and, second best, at dusk. Montana Wildlife Viewing Guides are available for purchase through local bookstores or by calling 800-582-2995.

MAKING A DIFFERENCE

Discovering all the wonders of our country is exciting. Travelers today are inspired by all we have and want to help protect our vast resources. We take this responsibility seriously in Montana, and we would like to offer a few tips for helping preserve the beauty, as well as the integrity, of our state:

- Help preserve our heritage. Do not take anything from, or otherwise disturb, old mining camps, ghost towns or other historical features.
- Leave the land, its flowers and other plants as you find them, in a natural state for others to enjoy.
- Respect the rights of others to enjoy their favorite forms of recreation.
- Respect the rights and property of others. Comply with signs and barriers. Always get permission before walking or driving on private land.
- Use trash receptacles. If there are none, carry litter until you can dispose of it properly.
- For your safety, as well as conservation, enjoy wildlife from a distance.

Many Montana communities are well-known for their outstanding friendliness and welcoming spirit. Help us preserve these attributes by respecting our traditions, customs and local regulations.

Support the local economy...look for the Made in Montana label when you shop.

You can make a difference. Help assure Montana remains as it is for future generations to discover anew.

With water temperatures in the 70's, swimming along in the calm sections, make this the highlight of your summer vacation. **June to September; Daily at 10 a.m. & 2 p.m.**

Montana's area code is 406, statewide

Russell Country is north-central Montana. Named for famed Western artist, Charlie Russell, it is the "real West" he loved to paint. For those who like rivers, there's the 149-mile section of the Missouri designated "Wild and Scenic," as well as a floaters' favorite, the spectacular Smith River. Floating, camping, hiking, skiing and snowmobiling— Russell Country has the best of the West.
